Chapter 1 by R

Why do you think I'm awake at 12:41? Guess.

Chapter 2 by Sinister

More information is necessary to determine an educated and accurate guess.

Since there is no information other than the time and the fact that you want us to guess, I'll say it's because you want to watch your story for possible draft updates. Either that or inebriation faded and now you have to piss horribly while also having the biggest urge to drink a large amount of something non-alcoholic and cold.

Chapter 3 by Rix Quill

You are probably having lunch at 19 minutes to one.

Or did you mean 41 minutes past midnight? In which case it would be 00:41.

I guess either way you are learning to tell the time.

Chapter 4 by I am a cat

It's an important life skill, you know. See more of Story Wars by saying they had to meet me at 5 and they thought I meant 5 AM while most people think of 5 as 5 PM in a 24 hour clock.
